FAQs

1) What are the available B.Tech. streams and their respective intake capacities for SIT First Year Engineering admissions?

The available B.Tech. streams and their respective intake capacities for SIT First Year Engineering admissions are as follows:

- **B.Tech. Artificial Intelligence and Machine Learning:** 30 seats
- **B.Tech. Computer Engineering:** 30 seats
- **B.Tech. Computer Science and Engineering:** 120 seats
- **B.Tech. Computer Science and Technology:** 30 seats
- **B.Tech. Computer Science and Engineering(Artificial Intelligence and Machine Learning):** 60 seats

Candidates can choose their preferred stream based on their choice.

2) What are the important dates for the admission process, including registration, test dates, and the start of the B.Tech program at Symbiosis Institute of Technology?

The important dates for the SIT Hyderabad 2025 admission process are as follows:

- **SITEEE Registration and Payment Closes on:** April 12, 2025 (Saturday)
- **SITEEE Admit Card Live:** April 25, 2025 (Friday) for SITEEE Test 01 & April 30, 2025 (Wednesday) for SITEEE Test 02
- **Test 01:** May 5, 2025 (Monday), 11:30 am to 12:30 pm
- **Test 02:** May 11, 2025 (Sunday), 11:30 am to 12:30 pm
- **Announcement of SITEEE Result:** May 22, 2025 (Thursday)

Note: All these dates are subject to the respective entrance exam results declaration. Candidates should regularly check the official website for updates.

3) How can candidates apply for SIT First Year Engineering admissions through different entrance exams?

Candidates can apply for SIT First Year Engineering admissions through the following methods:

- **SITEEE:**
  - Candidates need to register on the provided link https://set2025.ishinfosys.com/SET20Y25/Register/Index.aspx.
  - Appear for the SIT Engineering Entrance Exam (SITEEE).
- **JEE (Main):**
  - Candidates can register using the link: https://ezapp.ishinfo.com/SITHYD25/Register/Index.aspx
  - Admissions will be based on their 2025 JEE (Main) scores.
- **Any State Government Exam:**
  - Register through the link: https://ezapp.ishinfo.com/SITHYD25/Register/Index.aspx.

o   Admissions will be considered based on their 2025 score in any State Government Engineering Entrance Examination.

For updates on registration links, candidates are advised to check the official SIT website regularly.

4) What is the syllabus for the Symbiosis Entrance Test (SET) for Engineering programs?

The syllabus for the Symbiosis Entrance Test (SET) for Engineering programs is based on the CBSE Class 11 and Class 12 curriculum for Physics, Mathematics, and Chemistry.
For detailed topics, a link to the syllabus will be provided on the official website soon. Candidates are advised to refer to the CBSE curriculum for preparation in the meantime.

5) Will the admission rounds be conducted online?

Yes, the admission rounds will be conducted online. Candidates will receive an offered branch letter via email after the merit is generated.

6) What are the registration instructions and fee details for SITEEE candidates applying to Symbiosis Institute of Technology?

The registration process and fee details for SITEEE candidates are as follows:
- **Registration Link:** https://set2025.ishinfosys.com/SET20Y25/Register/Index.aspx.
- **Fee Structure:**
    o   SITEEE Entrance Test Registration Fee: INR 2250/- per test (Non-refundable and non-transferable).
    o   Institute Registration Fee (SIT Hyderabad): INR 1000/- (Non-refundable and non-transferable).
- **Important Note:**
    o   Both SITEEE test registration and SIT Hyderabad institute registration are mandatory for admission to first-year B.Tech programs at SIT Hyderabad.
    o   Ensure both registrations are completed to secure eligibility for the admission process.

7) What are the registration instructions and fee details for JEE (Main)/Any State Government Engineering Entrance Exam candidates applying to Symbiosis Institute of Technology?

The registration process and fee details are as follows:
- **Registration Link:** https://ezapp.ishinfo.com/SITHYD25/Register/Index.aspx
- **Registration Fee:**
    o   The registration fee is INR 1500/-.
    o   The fee is waived for candidates who have already paid the SITEEE and SIT Hyderabad registration fees (INR 2250 + INR 1000).

Ensure you complete the registration process on time to be considered for admission through JEE (Main) or Any State Government Engineering Entrance Exam scores.

8) Do candidates need to register separately for SITEEE and JEE (Main) / State Government Entrance Examination-based admissions, and is there an additional registration fee required?

Yes, candidates are required to register separately for both SITEEE and JEE (Main) / Any State Government Engineering Entrance Examination based admissions. However, there is no additional registration fee for JEE (Main) or Any State Government Engineering Entrance Examination if the candidate has already paid the registration fee for SITEEE.

9) Is registration mandatory for the 2025 SIT admissions, and what happens if a candidate does not complete it?

Yes, registration is mandatory for the 2025 SIT admissions. Candidates who do not complete the registration process will not be considered for the admission process and will be ineligible for counselling or seat allotment.
It is essential to complete the registration to participate in the admission procedure.

10) Can a candidate with a PCM aggregate below 45% (General category) or 40% (Reserved category) in the 12th standard secure admission at SIT if they have a good competitive exam score?

No, candidates must meet the minimum PCM aggregate requirement of 45% for the General category and 40% for the Reserved category in the 12th standard. Admission is not possible at SIT if the aggregate percentage in the defined subjects falls below these thresholds, regardless of their competitive exam score.
For Engineering Streams-specific 12th Eligibility Criteria as per AICTE guideline, click here.

11) What are the specific documents required to be uploaded for the Symbiosis Institute of Technology B.Tech, SIT Hyderabad admissions, and where should candidates submit them?

The following documents are required for B.Tech, SIT Hyderabad admissions:
- **Entrance Examination Score Card:**
    - SITEEE / JEE (Main) / Any State Government Engineering Entrance Examination (Compulsory)
- **12th Mark List:**
    - Not compulsory for admission rounds due to delayed board results.
    - E-mark sheets may be uploaded when available on the examination board's website.
    - Minimum PCM % (45% for General, 40% for Reserved category) is a mandatory eligibility requirement.
- **Address Proof (Compulsory)**
- **Caste Certificate (Compulsory if applicable)**
- **Gap Certificate (Compulsory if applicable)**

- **Change of Name Certificate (if applicable)**
- **Differently-Abled Certificate:**
    - o Issued by the Symbiosis Centre for Health Care (Compulsory if applicable)
- **Soft Copy of Candidate Photograph (Compulsory)**

Submission Process:

Candidates should email the documents to : btechadmissions@sithyd.siu.edu.in. Ensure all required documents are submitted correctly to avoid delays in the admission process.

12) Which web browsers are compatible for registering on the SIT Hyderabad 2025 application portal?

The SIT Hyderabad 2025 application portal is compatible with the following web browsers:

- **Internet Explorer:** Version 6.0 or above.
- **Other Browsers:** Mozilla Firefox, Google Chrome, and similar browsers also support the application portal.

Candidates are advised to use updated versions of their preferred browsers for a smooth registration process.

13) How can I enable JavaScript in my browser to complete the registration for SIT Hyderabad?

To enable JavaScript and complete the registration for SIT Hyderabad, follow these steps:

1. Open your browser and navigate to **Tools > Internet Options**.
2. Go to the **Security** tab and click on **Custom Level**.
3. Scroll down to the section labeled **Scripting**.
4. Under **Active Scripting**, select **Enable** and click **OK**.
5. Refresh the page and proceed with the registration again.

Ensure JavaScript is enabled for a smooth registration process.

14) How can candidates use their SIT SITEEE/JEE/ASGEEE 2025 ID or email and password in the admission process?

Candidates can use their SIT SITEEE/JEE/ASGEEE 2025 ID or registered email and password for the following purposes during the SIT admission process:

- **Filling the Application Form:** Log in to complete and submit the SIT application form.
- **Checking "My Mail":** Access important updates and notifications regarding the admission process.
- **Modifying Personal Details:** Update or correct personal information if needed.

Ensure you keep your login credentials secure and readily available for all admission-related activities.

15) What should candidates do if they do not receive a confirmation email within 24 hours of registration?

Candidates should receive a confirmation email within 24 hours of registration. If they do not, they are advised to:

- **Contact via Email:**
    - o Send an email to :btechadmissions@sithyd.siu.edu.in and siusupport@ishinfo.com for assistance.
- **Check Spam/Junk Folder:**
    - o Ensure the email hasn't been filtered into spam or junk folders.

This will help resolve the issue promptly and ensure smooth processing of their application.

16) Is it mandatory to complete both Part-1 and Part-2 of the registration form for JEE(Main)/ASGEEE to participate in the admission process for SIT Hyderabad?

Yes, it is mandatory to complete and submit both Part-1 and Part-2 of the registration form to participate in the SIT Hyderabad admission process. Candidates who fail to submit both parts of the registration form will not be eligible to participate in the admission counselling rounds.
Ensure that both sections are completed before the deadline to avoid disqualification.

17) Where should candidates send payment-related queries for SIT admissions registration, and what information should they include?

Candidates should send payment-related queries to siusupport@ishinfo.com.
When sending the query, they must include the following information:

- A screenshot of the transaction as proof of payment.
- Additional details such as registration number and payment date (if applicable).

This will help resolve the issue promptly.

18) Do candidates need to upload all required documents in Part-2 of the registration form for JEE (Main)/ASGEEE admission process?

Yes, it is compulsory for candidates to upload all required documents in Part-2 of the registration form to complete the admission process. Failure to upload the necessary documents may result in not being considered for the admission process.

19) What email address should I contact if I am facing issues with document uploading during the SIT Hyderabad registration process?

If you encounter issues with document uploading during the SIT Hyderabad registration process, you can send an email to:
btechadmissions@sithyd.siu.edu.in
Make sure to include details of the issue and any relevant screenshots to help resolve the problem quickly.

20) How will branch allocation be handled for registered candidates, and what happens if a candidate does not get their preferred branch?

Candidates can select their preferred order of branches while filling the registration form. Branch allocation will be based on merit and seat availability.

If a candidate does not get their preferred branch and chooses not to pay for the currently allotted seat, they will be automatically added to the waiting list for their higher branch preferences. Notifications will be sent as and when the respective waiting lists are updated.

This process applies to all admission rounds, including those based on SITEEE, JEE (Main), or Any State Government Engineering Entrance Examination.

21) Is there a specific cut-off score required for qualifying in the SITEEE/JEE/ASGEEE entrance exam?

No, there is no specific cut-off for the SITEEE/JEE/ASGEEE entrance exam. Candidates are evaluated based on their performance, and the selection is done according to the overall merit and seat availability.

22) Where can I find the detailed fee structure for 2025 at SIT Hyderabad?

For the detailed fee structure for 2025, please click here. This will give you comprehensive information regarding the fees for the various programs.

23) Is the branch allocation confirmed only after paying the first instalment of academic fees and the refundable institute deposit?

Yes, the branch allocation is confirmed only after the payment of the first instalment of academic fees and the refundable institute deposit. Candidates must complete these payments for their branch to be officially allocated.

24) Is it possible for a candidate to apply online for a branch change after paying the fees for the allocated branch?

Yes, candidates can apply online through the Candidate Portal for a branch change after paying the fees for the currently allocated branch. The request will be considered based on seat availability and merit.

25) Are hostel facilities available for first-year B.Tech students, and how are they allocated?

Yes, hostel facilities are available for first-year B.Tech students at Symbiosis Institute of Technology. Hostel accommodation is provided on a first-come, first-served basis, so students are advised to apply early to secure a seat.

26) What is the procedure for applying for hostel accommodation at Symbiosis Institute of Technology, and when should candidates pay the hostel and mess fees?

To apply for hostel accommodation at Symbiosis Institute of Technology, candidates must follow these steps:

- **Apply Online:** While paying the 1st instalment of academic fees, candidates should apply for hostel requirements in the finance module of the portal.

- **Approval and Fee Payment:** Once the hostel accommodation is approved, candidates must pay the Hostel/Mess fees as per the instructions.

For further details, candidates can email campusadmin.hyd@symbiosis.ac.in.
For information on hostel fees, please click here.
